Work Experience

Coding with Kids • Coding Instructor
June 2024- August 2024 (Summer Job)
As a Coding Instructor I worked with children ages 5-7 teaching them programming fundamentals. I had to design lesson plans, keep children on task, and provide weekly updates to parents.

Truefit • Software Development Intern
June 2021- August 2023 (Summer Job)
As a dedicated Software Development Intern at Truefit, I actively contributed to the creation of consumer-facing websites for esteemed clients. My primary focus was on leveraging React and JSX to craft intuitive and visually appealing user interfaces. I also worked on creating iOS and Android mobile counterparts with React Native.

Shenot Farm • Field Hand and Retail Associate
July 2019 – December 2022
As a hard working Field Hand at Shenot Farm, my role encompassed a wide range of responsibilities crucial to the daily operations of the farm. I handpicked produce as well as washed and prepped it for sale in the market. I also worked in the market as a sales associate when needed. This involved handling cash and stocking inventory.
